Baxter Meadows Master Homeowners Association

The BMMHOA Board of Directors is pleased to announce that **your HOA dues are being reduced to \$30 per month beginning January 1, 2015**. The main infrastructure and landscaping improvements have been made, the remaining items should not be that costly, so the board determined that dues could be lowered and still cover the normal HOA expenses along with the rest of the minor improvements. Thank-you for your continued support of your HOA!

If you would like to have your dues automatically withdrawn from your account please fill out and return the attached authorization form. If you already have dues automatically withdrawn, we will need a new authorization form filled out with the new amount.
